

FIAT BAMBINA 500 SERVING BOARDS AND COASTERS

Hi my name is Louise Kerr, some of you might know my Brother Darren Kerr and sister in-law Nideen, who are members of the Fiat Bambina Club. I made Darren a set of coasters as a gift for his birthday and he suggested I offered some designs to the Club in case some members were interested in purchasing them. I have been doing wood burning art as a hobby while Covid Restrictions have put my performing work on hold. I have come up with some one-off Fiat designs printed on either Wooden Coasters or Wooden Serving Boards. At this time, I don't have a website other than my performing one so instead I have attached a PDF Information Sheet with images of the designs I can offer and a price list. Feel free to contact me if you require any additional information or would like to place an order. Thanks Louise
