

Lieutenant Lou's Circus Patrol Show

“Chaos First, Safety Second!”

Inspired by "Police 10/7 and Motorway Patrol", Lieutenant Lou is New Zealand's only Licensed Clown Officer, (even if she did make her own license using Photoshop).

Check out her hilarious show where Chaos is First and Safety's Second. She will get the crowd clapping with her stop and go circus balance, Rover the Police dog will attempt a dangerous stunt high in the air, Lieutenant Lou will chase down a Robber on the smallest police bike ever, one lucky kid will become an officer for the day and Lieutenant Lou will have you in stitches as she pulls off some crazy dance moves, showing everyone how real clown officers keep in tip top shape.

The Show is complete chaos but by the end of it you'll know Lieutenant Lou is the coolest red nosed cop in town!

THE SHOW INCLUDES: clowning, comedy, circus tricks, balanced stop signs, sirens, miniature bicycle, unicycle, juggling, prizes and audience participation.

DURATION: 40 minutes
